ASSIGNMENT

FOR VALUE RECEIVED, the receipt of which is hereby acknowledged, the following inventors, **DAVID FRANKLIN COX**, of 1393 Athens Place, City of Escondido, State of California 92026, **CHARLES ALLEN MARTINDALE**, of 33285 Christine Lane, Winchester, State of California 92591, and **ARNE E. CARLSON**, of 2131 Pamo Road, City of Ramona, State of California 92065, (hereinafter individually and collectively called "ASSIGNOR"), hereby assigns, transfers and sets over to **ADTI MEDIA, LLC**, a limited liability corporation organized under the laws of the State of California and having a principal place of business at 42580 Rio Nedo, City of Temecula, State of California 92590-3732, (hereinafter called "ASSIGNEE"), the entire worldwide right, title and interest in and to the following entitled invention: **CUSTOMIZED SECTIONAL SIGN ASSEMBLY, KIT AND METHOD OF USING KIT FOR CONSTRUCTION AND INSTALLATION OF SAME**, including any drawings, notes, models, and all disclosure materials for the same, and to any United States Utility Patent Applications for the same, if any, to be filed in the United States Patent and Trademark Office, and all rights and privileges under any Letters Patent which may be granted thereon, and on any Letters Patent which may be granted on any continuation, continuation-in-part or divisional patent application of the aforementioned patent application, including all rights, if any, throughout the entire world to sue for all past infringements which may have occurred before the execution of this assignment.

1. ASSIGNOR agrees without charge to said ASSIGNEE but at ASSIGNEE'S expense (a) to execute all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said invention in any and all countries and for vesting title therein in ASSIGNEE, its successors, assigns or nominees; (b) to execute all papers in connection with any interference or other legal or quasi-legal proceedings relating to this application or to any continuation, continuation-in-part, or divisional applications thereof; (c) to execute all papers and documents which may be necessary in connection with the preparation and filing of any foreign applications or with making claims to priority rights granted under the provisions of the International Convention for Protection of Industrial Property or similar agreements; (d) to cooperate with ASSIGNEE in every way possible in obtaining evidence and going forward in any such proceedings; and (e) to perform all other affirmative acts which may be necessary or desirable to obtain a grant of a valid patent for said invention in any country throughout the world.

2. ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and the appropriate officials in any other country, to issue any and all Letters Patent that may be granted upon any patent application or any additional, continuation, continuation-in-part or divisional applications thereof to the ASSIGNEE, its successors, assigns or nominees.

3. ASSIGNOR further assigns to and empowers ASSIGNEE, its successors, assigns or nominees, all rights to make applications for patents or other forms of protection for said invention and to prosecute such applications and said patent applications, as well as to claim and receive the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and the right to invoke and claim such right of priority without further written or oral authorization.

4. ASSIGNOR further agrees that this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose regarding the subject matter hereof, as well as constituting proof of the right of ASSIGNEE or its successors, assigns, or nominees to apply for patent or other proper protection for said inventions, and to claim the aforesaid benefits of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

5. ASSIGNOR hereby covenants and warrants that he has full right to convey the entire right, title and interest by this instrument, free of any encumbrances and that no other agreement has been or will be executed in conflict herewith.

6. ASSIGNOR hereby grants to Jerry R. Potts of San Diego County, California, authority and power to insert the Serial Number and filing date of any document filed with the United States Patent and Trademark Office and to take any other necessary and reasonable action to record this document and any other assignment document relating to the inventions as described herein in the United States Patent and Trademark Office or a Patent Office of any foreign country.
