("Assignors") agreed to assign all of our right, title, and interest in and to the invention entitled **Applied Configuration in Equipment to Hold Monetary Bills**, described in Brazilian Application Serial No. 30 2016 001734 4 filed on April 26, 2016 ("Application"), to **Catamoeda Pesquisa E Desenvolvimento De Máquinas S/A**, a corporation ("Assignee") having its principal place of business at:
TV Francisco Joao de Souza, 50
São Jose, Santa Catarina
88115-237
Brazil

as set forth in the agreements (Appendix A).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors hereby confirm having assigned, transferred, conveyed, and delivered to the Assignee, as of the Effective Date and as set forth in this Assignment, all right, title, and interest of the Assignor in and to the invention described in the Application; the same to be held and enjoyed by the Assignee for its own use and enjoyment

and for the use and enjoyment of its successors, assigns and other legal representatives, to the end of the term or terms for which the Patents are issued, granted, reissued, or extended, as fully and entirely as the same would have been held and enjoyed by the Assignors had the Assignment not been made;

FURTHER, for the avoidance of doubt, Assignors confirm that the assignment of all the rights and privileges under any and all Patents that may be granted therefor in any country, as of the Effective Date and as set forth in the Assignment, includes the assignment of the right to claim the benefit of priority from the Application in all foreign countries in accordance with Paris Convention Article 4A(1) or as otherwise required by any national or international authority.

FURTHER, the Assignors hereby confirm the assignment of the entire right, title, and interest in and to the Safe for Storage of Monetary Bills which is disclosed in, but not limited to, the application(s) for Letters Patent and Utility Model filed in:

COUNTRY	APPLICATION NO.	FILING DATE
US	29581580	20 October 2016

and for any and all patents and patent applications therefore in any and all countries, and pursuant to all multilateral treaty organizations, including the Patent Cooperation Treaty and European Patent Convention, including without limitation, continuations, continuations-in-part, divisionals, reissues, and extensions thereof, and all rights of priority resulting from the filing of said application(s) to be held and enjoyed by the Company, its successors, and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignors hereby authorize and request the attorneys at Coats & Bennett, PLLC, 1400 Crescent Green, Cary, North Carolina 27518, to insert the filing date(s) and application number(s) in the above-indicated spaces when known.
