ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Elizabeth J. Brown, of Jamaica Plain, Massachusetts, hereby assign to: THE BRIGHAM & WOMEN'S HOSPITAL, INC., a corporation of Massachusetts, having a place of business at 75 Francis Street, Boston, Massachusetts 02115; and CHILDREN'S MEDICAL CENTER CORPORATION, a corporation of Massachusetts, having a place of business at 55 Shattuck Street, Boston, Massachusetts 02115; and their successors and assigns (collectively hereinafter called "the Assignees"), as joint owners of the entire right, title, and interest throughout the world in the inventions and improvements which are the subject of and described and/or claimed in a utility application for United States Patent, entitled "METHODS FOR DIAGNOSING AND ASSESSING RISK OF DEVELOPING GLOMERULOSCLEROSIS," filed on June 1, 2012, and assigned U.S. Serial Number 13/513,447; this assignment including said application, any and all United States and foreign patents, utility patents and models, continuations, continuations-in-part, divisionals, reexaminations, reissues, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and this assignment also including, without limitation, any claims (known or unknown, suspected or unsuspected) of any nature that I have or may have against any party for infringement of any of the patents and patent applications listed herein, and the right to sue for past infringement and to recover and retain damages and profits in respect thereof; and

I authorize the Assignees to apply in all countries in my name or in their own name for patents, utility models, design registrations, and like rights of exclusion and for inventors' certificates for said inventions and improvements; and

I hereby covenant and agree that I will communicate to the Assignees or nominees all facts known to me pertaining to said inventions and improvements, and I agree for myself and my respective heirs, legal representatives, and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, reissues, Preliminary Statements, and other lawful documents, testify in all legal proceedings, make all rightful oaths and declarations, and in general perform or cause to be performed all lawful acts necessary or proper to aid the Assignees or nominees in obtaining, maintaining, and enforcing all lawful patent protection for the inventions and improvements in the United States and in foreign countries; and

I hereby covenant that I have the full right to convey the entire right, title, and interest herein assigned and that I have not executed and will not execute any agreement in conflict herewith.
