DECLARATION AND ASSIGNMENT
FOR UTILITY AND DESIGN APPLICATIONS

As a below-named inventor, I hereby declare that:

This Declaration and Assignment is directed to:

- ☐ the application attached hereto.
- ☒ United States Application Number 29/577,337, filed on September 12, 2016.

The application was made or was authorized to be made by me.

I believe to be the original inventor or an original joint inventor of a claimed invention in the application.

I acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

WHEREAS, Otter Products, LLC of 209 South Meldrum Street, Fort Collins, Colorado, 80521, its heirs, successors, legal representatives, and assigns (the Assignee) is desirous of acquiring the entire right, title, and interest in and to said invention and in and to any Letters Patent(s) that may be granted therefor in the United States of America and in any foreign countries;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I sell, assign, and transfer and by these presents do sell, assign and transfer unto said Assignee all of my rights to said invention in the United States of America, its territories, dependencies and possessions and the entire right, title and interest in and to any and all Letters Patent(s) which may be granted therefor in the United States of America, its territories, dependencies, and possessions, and in any and all foreign countries; and to any and all divisions, reissues, continuations, conversions, and extensions thereof for the full term or terms for which the same may be granted. I agree to execute all papers necessary in connection with this application and any continuing, divisional, conversion, or reissue applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

I agree to execute all papers necessary in connection with any interference, derivation proceeding, or post-grant review which may be declared concerning this application or continuation, division, conversion, or reissue thereof or Letters Patent(s) or reissue patent(s) issued thereon and to cooperate with the Assignee in every way possible in obtaining and producing evidence and proceeding with such interference, derivation proceeding, or post-grant review.

I agree to execute all papers and documents and to perform any act which may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.
