ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, **Steven M. Colby Trust (Dated March 22, 2011)**, ("Assignor") does hereby sell, assign, and transfer to **Mynette Technologies, Inc. (a Delaware Corporation)** ("Assignee"), and its successors, assigns, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements, related to RFID and RFID shielding, which are disclosed in the patents and patent applications listed in **Exhibit A**; and in and to all original and reissued patents which have been or shall be issued in the United States on said improvements; and in and to all rights of priority resulting from the filing of said United States patent applications; and

Agree that said Assignee may apply for and receive patents for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the Assignor will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the Assignor relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Assignment Steven M. Colby Trust to Mynette Technologies, Inc.

Assignor covenants with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Assignor, and that full right to convey the same as herein expressed is possessed by the Assignor.
