## Patent Assignment

For value received, I, Kye Stoker, of Henderson, Nevada, hereby sells, assigns and transfers to K2 Energy Solutions, Inc., a corporation of the State of Nevada, having an office at 7461 Eastgate Road, Henderson, NV, 89011, and its successors, assigns and legal representatives, my entire right, title and interest, for the United States of America, in and to certain inventions related to a Battery Housing, described in U.S. Patent Application No. 29/580,476, which was filed on October 10, 2016, and all rights and privileges in said patent application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to K2 Energy Solutions, Inc., the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of K2 Energy Solutions, Inc., to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to K2 Energy Solutions, Inc., in the United States and in all countries foreign to the United States, or to such nominees as K2 Energy Solutions, Inc., may designate.

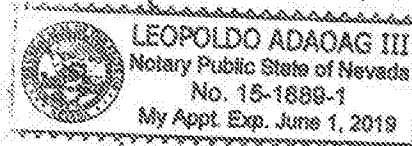

I agree that, when requested, I shall, without charge to K2 Energy Solutions, Inc., but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

  
Kye Stoker

On this 21st day of OCT, 2016, before me personally came Kye Stoker, to me known to be the individual described in and who executed the foregoing instrument, and acknowledged execution of the same.
