ASSIGNMENT

WHEREAS, I, Charles Colin MacDuff, by my agent and attorney-in-fact, Robert Thompson, Jr., as designated and appointed as a duly authorized officer of RCM Enterprise, LLC, a Washington Limited Liability Company, in accordance with the Proprietary Information and Invention Assignment Agreement dated June 20, 2014, have made a certain new and useful invention relating to BIO-MECHANICAL FINGER BRACE ASSEMBLY, for which we have made application for Letters Patent of the United States, said application being identified as Attorney Docket No. 81031.0019.01 and United States Patent Application Serial No. 15/013,907, filed February 2, 2016;

WHEREAS, RCM Enterprise LLC, a Washington limited liability company, whose address is 614 4th Avenue E, Olympia, Washington 98501 is desirous of acquiring the entire interest in and to said invention, said application, and any Letters Patent to be obtained therefor;

NOW THEREFORE, for valuable consideration, receipt and adequacy of which is hereby acknowledged, we have sold, assigned, and set over, and do hereby sell, assign, and set over, unto the Assignee and said Assignee's legal representatives, successors, and assign, the entire right, title, and interest in and to said invention, said application, and the Letters Patent, both foreign and domestic, that may or shall issue thereon including all original, divisional, continuation, continuation-in-part, reissue, certificate of reexamination, and related applications and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned Assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, we do hereby covenant and agree with the said Assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will, at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, continuation-in-part, renewal, continuing, reissued or extended Letters Patent of the United States, or of any and all foreign countries, on said invention, and in enforcing any rights or chose an action

accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of both parties.

IN WITNESS WHEREOF, and having read this entire document including all prior pages, we have hereunto set our hands and affixed our seals on the date hereinafter set forth.
