PATENT ASSIGNMENT

WHEREAS, Deborah Adler, an individual with an address at 60 East 8th Street, Apt. 26A, New York, NY 10003 ("Assignor") owns all right, title, and interest in and to certain new and useful inventions and improvements for a medication packaging and labeling system for which an application for Letters Patent of the United States was filed on May 14, 2003 under U.S. Application No. 10/437,474 entitled "Medication Packaging and Labeling System" (the "U.S. Patent Application"); an International application was filed under the Patent Cooperation Treaty on May 15, 2003; under International Application No. PCT/US03/15421 entitled "Medication Packaging and Labeling System" (the "PCT Application"); any and all continuations, continuations-in-part, divisions, substitutes, reissues, reexaminations, or renewals, both foreign and domestic, of the U.S. Patent Application or the PCT Application; any and all other applications throughout the world claiming the inventions claimed therein, in whole or in part, or any improvements thereof that have been developed or may be developed during the Consulting Period (as defined below); and the Letters Patent, both foreign and domestic, that may or shall issue derived in whole or in part from such applications or on any inventions disclosed therein, including reissues, reexaminations and extensions of such Letters Patent, and all accrued causes of action for damages for infringement thereof (collectively, the "Patent Rights").

WHEREAS, Target Brands, Inc., a Minnesota corporation and a wholly owned subsidiary of Target Corporation with an address at 1000 Nicollet Mall, Minneapolis, MN 55403 ("Assignee") desires to own Assignor's entire right, title, and interest in and to the Patent Rights.

NOW THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers, and sets over to Assignee, its lawful successors and assigns, Assignor's entire right, title, and interest in and to U.S. Application No. 10/437,474 filed on May 14, 2003 and entitled "Medication Packaging and Labeling System" (the "U.S. Patent Application"); International Application No. PCT/US03/15421 filed under the Patent Cooperation Treaty on May 15, 2003 and entitled "Medication Packaging and Labeling System" (the "PCT Application"); the invention claimed therein, any other patent application directed to the invention, and all Letters Patent of the United States that may be granted thereon, and all reissues, reexaminations, and extensions thereof; and all rights to claim priority on the basis of such application, and all applications for Letters Patent that may be filed for the invention in any foreign country and all Letters Patent that may be granted on the invention in any foreign country, and all extensions, renewals, and reissues thereof; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

IN TESTIMONY WHEREOF, each party has caused its authorized representative to execute this Assignment.
