ASSIGNMENT

For good and valuable consideration, I/WE,

William Thea, a citizen of the United States of America, residing at 26 Rising Ridge Road, Upper Saddle, NJ 07458,

Maximilian Linder, a citizen of the United States of America, residing at 818 Ridge Road, Phillipsburg, NJ 08865,

Dario Bianco, a citizen of the United States of American, residing at 991 Magnolia Drive, Basking Ridge, NJ 07920, and

Joel Thea, a citizen of the United States of America, residing at 975 Park Ave, New York NY 10028

hereinafter individually or collectively referred to as "Assignor";

Hereby sell, assign and transfer to **United Electrical Systems, LLC**, a Limited Liability Corporation, having its principal place of business at 400 Allwood Road, Clifton, New Jersey 07012, hereinafter "Assignee", its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent, which has been executed by the undersigned and

filed on September 30, 2016 as US. Application Serial No. 15/281,256,

entitled: **SMART TIMER FOR REFRIGERATORS AND SIMILAR APPLIANCES**

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
