RELEASE AND TERMINATION OF SECURITY INTEREST 3

WHEREAS, **Tyme, Inc.** ("GRANTOR"), having a place of business at 2711 Centerville Road, Suite 400, Wilmington, Delaware, 19808, owns one or more inventions disclosed, described and/or claimed in the application entitled **High-Speed Centrifugal Mixing Devices And Methods Of Use** ("the invention"), which is referred to as U.S. Appln. No. **14/059,837**, filed on **October 22, 2013** ("the subject application").

WHEREAS, **CKR Law, LLP f/k/a Crone Kline Rinde LLP**, as Collateral Agent ("GRANTEE"), having a place of business at 1330 Avenue of the Americas, New York, New York 10019, obtained, pursuant to that certain Security Agreement, dated as of July 11, 2014, among GRANTOR, GRANTEE and others (the "Security Agreement"), among other collateral, a security interest (the "Security Interest") in the invention (the "Security Interest") to secure the GRANTOR's payment and performance in full of the 8% Secured Promissory Note of the GRANTOR, dated July 11, 2014 and in the original principal amount of \$1,100,000.00 (the "Note"), sold and issued by GRANTOR pursuant to that certain Securities Purchase Agreement, dated as of July 11, 2014 (the "Purchase Agreement").

AND, WHEREAS, GRANTOR has paid all amounts due and performed in full all of GRANTOR's obligations under the Note, the Security Agreement has been terminated and is of no further force and effect and, in accordance with the Security Agreement, the Security Interest has been terminated.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the GRANTEE hereby grants to the GRANTOR, its successors, legal representatives, and assigns, a **termination in full of the Security Interest** and in all of GRANTEE's right, title, and interest in the invention, and all applications for industrial property protection, including without limitation, all applications for patents, utility models, inventors' certificates, and designs that have been filed, and that may hereafter be filed, in any country, that disclose, describe, and/or claim the invention, including, without limitation, the subject application and the priority application, and all extensions, renewals, and reissues of such applications, including all divisions and continuations in whole or in part; all patents granted on such applications in any country, and all extensions, renewals, and reissues of such patents, including all divisions and continuations in whole or in part; the right to file such applications in any country; and the right to claim for such applications in any country the priority rights derived from the priority application and the subject application under the International Convention for the Protection of Industrial Property, the Patent Laws of the United States, any other international agreement or protection, or the domestic laws of any country in which any such application is filed, as may be applicable.

GRANTEE hereby covenants and agrees that it has full right to convey said termination of the Security Interest, and that it has not executed, and will not execute, any agreement in conflict herewith.

Executed this 26 day of October, 2016.
