INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment ("Assignment") dated as of October 26, 2016 is made, executed, and delivered by and between Dometic Sweden AB, a company duly organized and registered under the laws of Sweden ("Dometic Sweden" or "Assignor") and Atwood Mobile Products LLC, a Delaware limited liability company ("Atwood" or "Assignee").

WHEREAS, Dometic Sweden together with any successors, legal representatives or assigns thereof, is owner of right, title and interest in and to the Intellectual Property (defined below) including any United States and foreign patents and pending patent applications therefore identified in Schedule A attached hereto and incorporated herein;

AND WHEREAS, Atwood together with any successors, legal representatives or assigns thereof, desires to acquire the entire right, title, and interest in and to the Intellectual Property, including any United States and foreign patents and pending patent applications therefore identified in Schedule A;

NOW, THEREFORE, in consideration of the above premises, and the mutual promises and covenants hereinafter set forth, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Dometic Sweden and Atwood enter into this Assignment, and intending to be legally bound thereby, Dometic Sweden hereby assigns, conveys, and transfers to Atwood, the entire right, title, and interest in and to the Intellectual Property, and Atwood accepts such assignment, as follows:

- (a) all United States and foreign patents and patent applications set forth on Schedule A, attached hereto, including any and all divisionals, continuations, continuations-in-part, renewals, and extensions thereof, as well as any provisionals or non-provisionals claiming priority or having any relationship to any of the aforesaid; and any and all Letters Patent of the United States and all countries foreign thereto which may be granted for any of the aforesaid, and any and all reissues and reexaminations thereof; and any and all priority rights, convention rights, and other benefits accruing or to accrue with respect to the filing of applications for patents or the securing of patents in the United States and countries foreign thereto;
- (b) any and all of Assignor's claims for damages for past, present, and future infringements of any of the rights included herein, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of any of the intellectual property rights identified herein;
- (c) any and all proceeds, incomes, royalties, and payments due or payable to Assignor on any of the foregoing;
- (d) all of the foregoing being defined and referred to herein as the "Intellectual Property".

DOMETIC SWEDEN HEREBY FURTHER AGREES to sign and execute all necessary and lawful future documents necessary to perfect Assignee's right, title, and interest in and to the Intellectual Property, which the Assignee may from time to time require and prepare at Assignee's expense.

Patent Assignment

DOMETIC SWEDEN HEREBY AUTHORIZES AND REQUESTS the United States Patent and Trademark Office, and any offices of foreign countries whose duty it is to issue patents and/or trademarks, to issue any Letters Patent granted upon any and all applications described herein and/or set forth on Schedule A to Assignee, and to permit Assignee to be duly recorded as the legal and record owner of each of the Patents.
