COMBINED ASSIGNMENT & POWER OF ATTORNEY

This Combined Assignment & Power of Attorney ("Instrument") has been executed by the undersigned.

I. ASSIGNMENT

WHEREAS, the undersigned, to wit: Archery America, LLC, a limited liability company duly organized and existing under the laws of Louisiana having an office at 700 Penhorn Avenue, Secaucus, New Jersey 07094, ("Debtor") by Bryan F. Gill, Jr. not individually but as the duly appointed and qualified Trustee of the Estate of Debtor under Case No. 15-20916 ("Trustee" and together with and on behalf of Debtor, collectively, the "Assignor"), having an office c/o Gill Law Firm at 427 Kirby Street, Lake Charles, LA 70601, and is the owner of the patents and patent applications identified in the attached Exhibit A (collectively, the "Assets");

WHEREAS, the undersigned, to wit: The Outdoor Group, LLC ("Assignee"), a limited liability company duly organized and existing under the laws of Delaware and having an office at 1325 John Street, West Henrietta, New York 14586, desires to acquire the entire right, title, and interest in and to the Assets;

AND WHEREAS, this Instrument is being executed pursuant to that certain Order Approving and Authorizing the Sale of Assets Free and Clear of All Liens, Claims, Encumbrances and Interests entered on in the above bankruptcy case on February 22, 2016, and Bill of Sale and Assignment executed by Assignor in favor of Assignee of even date. Assignee has had the opportunity to engage in due diligence, has been represented by counsel throughout the Sale Process, and acknowledges that this Assignment is "as is where is".

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby sell, assign, transfer and convey, and hereby set over unto Assignee, its successors, assigns and legal representatives, without warranty of title, fitness, condition, efficacy, or suitability for any use, the full and exclusive right, title and interest in and to such Assets and patents issuing therefrom in all countries and jurisdictions to the full end of the terms for which such patents may be granted, to be held, used and enjoyed by, and in the name of, the Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment and sale not been made, including, without limitation: (i) such invention as described in the Assets; (ii) any and all improvements, betterments and modifications of such invention; (iii) any and all patents issuing from the Assets; (iv) all related applications including, but not limited to, divisions, continuations, continuations-in-part, non-provisionals of provisionals, patents of addition, reissues, reexaminations, foreign counterparts and foreign equivalents thereof, and substitutions of or for such applications; (v) all foreign rights related thereto, including the right to make applications for patents for such invention in any and all foreign countries and the right to claim priority as to the filing dates of the such applications under the International Convention, Patent Cooperation Treaty, European Patent Convention and any other international treaty; and (vi) all income, royalties, damages and payments due or payable to Assignor as of the execution of this Instrument or thereafter, including, but not limited to, all claims for damages by reason of past, present or future infringement or other unauthorized use of the invention, patent applications or patents assigned hereunder, together with the right to sue for, and collect the same.

Assignor hereby authorizes and requests the patent office of the country in which this Instrument is recorded to issue all patents issuing from such patent applications to Assignee or its successors or assigns.

Assignor hereby agrees to execute any papers, provide any information and testify in any derivation proceeding, interference or litigation at the request of Assignee, its successors, assigns and legal representatives, when deemed essential to Assignee's, its successors', assigns' and legal representatives' full enjoyment, protection, enforcement and title in and to such invention, patent applications, issued patents and other rights hereby transferred, at the cost of Assignee, if any.

Assignor furthermore agrees upon request of Assignee, its successors, assigns or legal representatives, and without further remuneration, to execute any and all papers desired by Assignee, its successors, assigns and legal representatives, for the filing and granting of the applications and patents assigned hereunder and the perfecting of title thereto in Assignee, its successors, assigns and legal representatives at the cost of Assignee, if any.

In the event that, and only to the extent that: (i) any provision of this Instrument violates the applicable law of any country or jurisdiction in which this Instrument is recorded, registered or asserted for legal purposes; or (ii) any court of competent jurisdiction adjudges any provision of this Instrument to be invalid or unenforceable, such violation or judgment shall not affect, impair or otherwise invalidate the remainder of this Instrument in such country or jurisdiction, but shall be confined in its operation to the specific provision of this Instrument which gave rise to such violation or judgment.

II. POWER OF ATTORNEY BY ASSIGNEE

The Assignee (a "Party"), hereby individually appoints the practitioners associated with the following Customer Number:
