ASSIGNMENT AND AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I, **JORGENSEN, Paul Raymond, an individual**; have sold, assigned and transferred, and do hereby sell, assign and transfer, unto SANDIA RESEARCH CORP., a corporation of the State of NEW MEXICO, having its principal office in Mesa, State of Arizona, USA, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in **SUBSURFACE RADIO** (Docket No. **190.001US**), described, illustrated and claimed in an application for Letters Patent of the United States of America executed by me on the date indicated by my signature below, together with the entire right, title and interest in and to the application, and in and to Letters Patent which may be issued upon the application, and upon any division, extension, continuation or reissue thereof.

I hereby also sell, assign and transfer unto SANDIA RESEARCH CORP., the entire right, title and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention and the applications for Letters Patent in foreign countries, and I further authorize SANDIA RESEARCH CORP. to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to SANDIA RESEARCH CORP., for the sole use and benefit of SANDIA RESEARCH CORP., its successors, assigns and legal representatives, to the full end of the term for which Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to SANDIA RESEARCH CORP..

I agree that, when requested, I will, without charge to SANDIA RESEARCH CORP., but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto in SANDIA RESEARCH CORP., its successors, assigns and legal representatives or nominees.

I covenant with SANDIA RESEARCH CORP., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
