RECORDABLE RESCISSION OF PATENT ASSIGNMENT

This RECORDABLE RESCISSION OF PATENT ASSIGNMENT is made and entered into by and between PURDUE RESEARCH FOUNDATION, a statutory body corporate formed and existing under the Indiana Foundation or Holding Companies Act of 1921 (hereinafter referred to as "PRF"), and Symic IP, LLC, a corporation having a principal place of business at 5858 Horton Street, Suite 275, Emeryville, CA 94608 (hereinafter referred to as "Symic") collectively referred to hereinafter as the "Parties."

WHEREAS, PRF had, by way of an ASSIGNMENT AGREEMENT made and entered into as of November 11, 2015 (the "November 2015 Agreement"), assigned and transferred to Symic certain PRF's right, title and interest in and to the inventions described and claimed in certain patent applications and issued patents together with the divisionals, continuations, reissues, reexaminations and foreign counterparts of same (the "Assigned Patents");

WHEREAS, PRF did, by way of a MUTUAL RESCISSION OF PATENT ASSIGNMENT AND AMENDMENT AGREEMENT (the "MUTUAL RESCISSION AGREEMENT") made and entered into as of September 23, 2016 (the "Effective Date"), rescind the assignment and transfer to Symic of all PRF's right, title and interest in and to those inventions described and claimed in the Assigned Patents that are referenced in Schedule A hereof (the "Rescinded Patents");

WHEREAS, the MUTUAL RESCISSION AGREEMENT does not affect the assignment and transfer to Symic of all PRF's right, title and interest in and to those inventions described and claimed in the Assigned Patents that are not the Rescinded Patents;

WHEREAS, pursuant to 37 C.F.R. § 1.12, the assignment records of the United States Patent and Trademark Office are open to public inspection;

WHEREAS, the MUTUAL RESCISSION AGREEMENT contains certain confidential terms and conditions; and

WHEREAS, in order to secure the benefits of 35 U.S.C. § 261, the rescission of assignment of the Rescinded Patents by PRF must be recorded with the United States Patent and Trademark Office.

NOW, THEREFORE, to whom it may concern, be it known that for the consideration described in the MUTUAL RESCISSION AGREEMENT, PRF and Symic hereby confirm that PRF rescinded the assignment and transfer to Symic of the Rescinded Patents as of September 23, 2016, subject to all of the terms and conditions set forth in the MUTUAL RESCISSION AGREEMENT.

IN WITNESS WHEREOF, PRF and Symic have caused this RECORDABLE RESCISSION OF PATENT ASSIGNMENT to be signed by their duly authorized representatives, under seal, as of the Effective Date.

PURDUE RESEARCH FOUNDATION
