ASSIGNMENT

WHEREAS, We, Darrin Brunk, a citizen of the United States, residing at 705 Thornwood Place Pensacola in the County of Escambia and the State of Florida, Brian Balsden, a citizen of the United States, residing at 4442 Omaha Dr. Pensacola in the County of Escambia, and the State of Florida, Ben Kutell, a citizen of the United States, residing at 1428 Sorolla Ave. Coral Gables in the County of Dade, and the State of Florida, Curtis Scott, a citizen of the United States, residing at 500 Sweet Birch Milton in the County of Santa Rosa, and the State of Florida, John Watts, a citizen of the United States, residing at 38 E. Gonzalez St Pensacola, in the County of Escambia, and the State of Florida, and Sean Scalf, a citizen of the United States, residing at 1600 Governors Dr. Apt 1427 Pensacola, in the County of Escambia, and the State of Florida have made an invention entitled **HARDWIRED AND WIRELESSLY CONTROLLED MOTORIZED WINDOW SHADES SYSTEM AND METHOD OF USE**, filed September 18, 2015 and assigned application number 62/220,783;

NOW, THEREFORE, for good and valuable consideration, receipt of which is acknowledged, and we have agreed to assign and transfer and do hereby assign and transfer unto **QMotion Incorporated** a Florida corporation, having its principal office at 3400 Copter Road, Pensacola, Florida, 32514, its successors and assigns, the entire right, title and interest in and to the said invention and application, and in and to any nonprovisional, division, continuation or continuation-in-part, of said application, and in and to any and all improvements in the said invention made by us or made jointly with others (provided any such improvement is made during our employment by said Company or within one year thereafter), and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reissue or other or further application based in whole or in part upon the said invention or improvements thereof, to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made;

We do further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by the said **QMotion Incorporated**, its successors, assigns and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

As we do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to the said **QMotion Incorporated** as the assignee of the entire interest thereon.

IN WITNESS WHEREOF, we have hereunto assigned our names on the day and year set forth below.
