Assignment

Whereas I, Jason David Pasternak, 17014 South Bear Creek Drive, Houston, TX 77084, hereinafter referred to as Applicant, have invented certain new and useful improvements in apparatus and method(s) related to connecting and disconnecting of tension members, namely an In-Line Mechanical Disconnect Device, for which United States provisional patent application SN 61/638262 was filed 04/25/2012, and United States non-provisional patent application SN 14/396433 was filed 10/23/2014, titled "In-Line Mechanical Disconnect Device," and

Whereas, Delmar Systems, Inc., P.O. Box 129, Broussard, LA 70518, herein referred to as Assignee, desires to acquire all of Applicant's rights, title and interest in and to said invention, in and to the described patent applications, in and to any other patent application(s) thereon, any resulting patents, and other rights as described herein;

Now, therefore, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is acknowledged, I, Applicant, by these presents do sell, assign and transfer unto Assignee all of my rights to said invention(s), worldwide, and all of my rights, title and interest in and to patent application SNs 61/638262 and SN 14/396433, to any and all other patent applications on said inventions (provisional and non-provisional, United States, international and foreign) which may be filed in the future, and to any and all patents which may be granted on any of said applications in the United States and elsewhere;

I hereby authorize and request the Commissioner of Patents and Trademarks to issue any of said United States Patents to Assignee, and any foreign patent office to issue any foreign patents to Assignee, of Applicant's entire right, title and interest in and to the same, for Assignee's sole use and benefit; and for the use and benefit of its legal representatives, to the full end of the term for which any of said patents may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made. I further agree to take such further action and to execute such further documents, including but not limited to assignments, declarations, and/or powers of attorney, as are reasonably necessary to fully vest Assignee with the rights described herein and intended to be conveyed hereby.

Executed this 2nd day of November, 2016, at Houston, Texas, US.

Jason David Pasternak
