ASSIGNMENT

For valuable consideration, we, Michael James Armstrong of 8407 Charleston Way, Avon, IN 46123, and Mark Jon Blackwelder of 5705 Yorktown Trace, Plainfield, IN 46168, hereby assign to: Rolls-Royce North American Technologies, Inc., having a place of business at: 2059 S. Tibbs Avenue, Indianapolis, IN 46241 and its successors and assigns (collectively hereinafter called "the Assignee") the entire right, title and interest throughout the world in the inventions and improvements which are the subject of an application for United States Patent signed by us, entitled COMBINED AC AND DC TURBOELECTRIC DISTRIBUTED PROPULSION SYSTEM, filed November 2, 2016, and assigned U.S. Serial Number 15/341,554; this assignment including said application, any provisional, non-provisional, continuation, continuation-in-part, divisional, reissue, renewal, extension or other application for any of said inventions or improvements, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment. We hereby authorize Rolls-Royce North American Technologies, Inc., its employees, and its legal representatives to fill in the serial number and filing date above after this document has been executed.
