ASSIGNMENT

This Assignment made by **Horst Poel** of Langenhagen, Germany and **Stefan Beckers** of Ilsede, Germany; Assignors, to **Wagner Group GmbH**, a German corporation, Assignee, having a place of business at Schleswigstraße 1-5, Langenhagen, Germany 30853.

WHEREAS, Assignors have invented a new, original and ornamental design for a **SCREEN DISPLAY WITH A USER INTERFACE COMPONENT**, for which an application for United States Letters Patent was filed in the U.S. Patent and Trademark Office on **September 28, 2016** and assigned Serial No. **29/579,161**; and

WHEREAS, Assignors believe themselves to be the original, first and joint inventors of the design invention disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said design invention, said application and any Letters Patent that may be granted for said design invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, the entire right, title and interest in and to said design invention, said application and any Letters Patent that may be granted for said design invention in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignor, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for said design invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said design invention, said application and any Letters Patent granted for said design invention in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said design invention, whether on said application or on any subsequently filed division, continuation, or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said design invention.

IN WITNESS WHEREOF, Assignors have executed this Assignment as of the dates written below.
