ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, We, **Peter TSCHIGGFREI**, a resident of the Republic of Austria, and **Gerd SKALA**, a resident of the Republic of Austria hereinafter referred to as Assignors, hereby sell, assign and transfer to **H-Tech AG**, a Corporation organized and existing under the laws of the Principality of Liechtenstein, having its principal place of business at Feldkircherstrasse 100, Schaan, Liechtenstein 9494, hereinafter referred to as Assignee, its successors, assigns and legal representatives in interest, the entire right, title and interest, in and for the United States of America, in and to any and all inventions which are disclosed in International Application PCT/EP2015/059900 designating the United States of America, filed on 5 May 2015 and entitled:

BATTERY PACK AND METHOD FOR ASSEMBLING A BATTERY PACK

in and to said application and all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be granted in the United States on said inventions;

Assignors agree that Assignee may apply for and receive Letters Patent for said inventions in its own name;

Assignors agree that, at the request of the Assignee and, without charge to but at the expense of said Assignee, Assignor will carry out in good faith the intent and purpose of this Assignment; execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for

vesting title to said inventions in Assignee, and all applications for patents and all patents on inventions in said Assignee;

Assignors covenant with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
