**ASSIGNMENT**

WHEREAS, INVENTORS Larry Steven CORLEY, Robert Dale FARRIS and Carlton E. ASH have made a certain invention for which application papers for a New United States Patent Application, entitled *Composites and Epoxy Resins Based on Aryl Substituted Compounds* with Attorney Docket Number 12-20-EP01.US were filed on October 27, 2016 and assigned USSN 15/336503. This application is a Divisional Application of US Non-Provisional USSN 14/275093 filed May 12, 2014 which further claims benefit to US Provisional Application USSN 61/822,772 filed May 13, 2013.

WHEREAS, Hexion Inc., a New Jersey corporation has the rights in and to this invention and desires to confirm such rights and to acquire all rights, title and interest in and to said invention;

NOW THEREFORE, for valuable consideration received, we hereby sell, assign, and transfer to Hexion Inc. our rights, title and interest in and to said invention in the United States and in all other countries throughout the world and further including the right to file further applications in all countries throughout the world in the name of Hexion Inc., or whomsoever that company may nominate, and to claim the priority of the above-named United States provisional patent application under provisions of international conventions or treaties;

With respect to any country where the filing of such an application and/or the transfer of priority rights requires a separate deed of sale, assignment or transfer is required, we will undertake at the request of Hexion Inc. to execute such separate deed to Hexion Inc. or to whomsoever that company may nominate.

We hereby agree that we will, upon request, execute any instrument which Hexion Inc. desires, to carry this assignment into effect, and perfect the title transferred hereby, or to prosecute the above-mentioned United States application;

And the Commissioner of Patents of the United States is hereby authorized to issue Letters Patent on said above-named application to Hexion Inc.

IN WITNESS WHEREOF, this assignment has been executed by us on the date(s) below.
