ASSIGNMENT AND AGREEMENT

For value received, I, Nathan J. Zaccaria of the city of Long Branch, in the county of Monmouth and the state of New Jersey hereby sell, assign and transfer to SHADY SMART LLC, a limited liability company of the State of New Jersey, having an office at Suite 322, 50 Chelsea Ave., Long Branch, NJ 07740-8174, U.S.A. and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to "EASY FOLD COMBINATION SUN SHADE AND CASE FOR HANDHELD ELECTRONIC DEVICES", described in an application for Letters Patent of the United States, application serial no. 14/750,367, filed June 25, 2015, and U.S. Patent No. 9,351,415, issued on May 24, 2016, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to SHADY SMART LLC the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize SHADY SMART LLC to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of SHADY SMART LLC to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions related to this application and the inventions thereof be issued to SHADY SMART LLC in the United States and to SHADY SMART LLC in all countries foreign to the United States, or to such nominees as SHADY SMART LLC may designate.

I agree that, when requested, I shall, without charge to SHADY SMART LLC sign all papers, and at SHADY SMART LLC expense do all acts which may be necessary, desirable or convenient in connection with said applications, patents.
