ASSIGNMENT OF PATENT RIGHTS
(JPI Commercial, LLC to Jazz Pharmaceuticals, Inc.)

WHEREAS, **JPI Commercial, LLC**, a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having an office and place of business at 3180 Porter Drive, Palo Alto, CA 94304 (herein referred to as "Assignor") is the owner of United States of America Letters Patent and Patent Applications listed in Appendix A ("said applications"), as well as any inventions ("said inventions") disclosed in said applications.

AND WHEREAS, **Jazz Pharmaceuticals, Inc.**, organized and existing under and by virtue of the laws of the State of Delaware, and having an office and place of business at 3180 Porter Drive, Palo Alto, CA 94304 (herein referred to as "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said inventions, said applications, the right to file applications on said inventions, the entire right, title and interest in and to any applications for Letters Patent of the United States or other countries claiming priority to said applications, the right to recover any and all past, present, and future damages, including provisional or other royalties, for any and all past, present, and future infringements of said applications, and the entire right, title, and interest in and to any and all Letters Patent or Patents, United States or foreign, to be obtained for said inventions and said applications.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns the entire right, title, and interest in and to said inventions, said applications, the right to file applications on said inventions, the entire right, title and interest in and to any applications for Letters Patent of the United States or other countries claiming priority to said applications, including divisions, continuations, and continuations-in-part of said applications, the right to recover any and all past, present, and future damages, including provisional or other royalties, for any and all past, present, and future infringements of said applications, the entire right, title and interest in and to any and all Letters Patent or Patents, United States or foreign, to be obtained for said inventions and said applications, and all rights under the Hague Convention, the Paris Convention for the Protection of Industrial Property, and under the Patent Cooperation Treaty, the same to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, the Assignor is the sole and lawful owner of the entire right, title, and interest in and to said inventions, said applications, and that the

same are unencumbered, and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with said inventions, said applications, any application claiming priority to said applications, and any United States or foreign Letters Patent or Patents for said inventions or said applications, including interference and derivation proceedings, and any post-grant proceedings (e.g., opposition proceedings, post-grant reviews, *Inter partes* reviews, supplemental examinations, etc.), is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent or Patents for said inventions, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignor hereby requests the Commissioner of Patents to issue any and all aforementioned patent(s) of the United States to the Assignee, as the Assignee of said inventions and the Letters Patent to be issued thereon for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns.
