# ASSIGNMENT

Attorney Docket No.

**R290.12-0083**

WHEREAS, we, Calin Ciobanu and Jeffrey Lawrence Lomibao (hereinafter referred to as Assignors), are the inventors of an invention described in a non-provisional patent application entitled "LED Continuous Constant Irradiance with Temperature Variation" said application having been executed on even date herewith, and/or being identifiable in the United States Patent and Trademark Office by Application No. 15/277,710 filed September 27, 2016; and

WHEREAS, Rosemount Analytical Inc. (hereinafter referred to as Assignee), a corporation organized and existing under the laws of the State of Delaware, and having offices at, 2400 Barranca Parkway, Irvine, California 92606 (USA), is desirous of acquiring the entire right, title and interest in and to the invention, the application, and any and all Letters Patent(s) or similar legal protection, foreign or domestic, to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, I transfer to Assignee, its successors and assigns, my entire right, title and interest in and to the invention, the above-identified application(s), corresponding domestic and foreign applications claiming rights or benefits to the above-identified application(s) including non-provisional applications, continuation applications, continuing applications, divisional applications, reissue applications, reexamination applications, design applications and continuation-in-part applications, all Letters Patent(s) or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention, including all rights of priority; and I authorize the Director of the United States Patent and Trademark Office or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

I authorize the Assignee, its successors and assigns, to insert in this instrument the filing date and serial number of the application when ascertained.

I authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries.

I represent to the Assignee, its successors and assigns, that I have not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. I, my executors or administrators, will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.
