ASSIGNMENT

WHEREAS, INVENTOR Charles ZHA and Jan BEETGE have made a certain invention for which application papers for a New United States Patent Application, entitled *CHEMICAL PRODUCTS FOR SURFACE PROTECTION* were filed on November 11, 2016 and further assigned as United States Serial Number 15/349650. This application claims priority to USSN 62/260777 filed November 30, 2015 and USSN 62/258023 filed November 20, 2015.

WHEREAS, Hexion Inc., a New Jersey corporation has the rights in and to this invention and desires to confirm such rights and to acquire all rights, title and interest in and to said invention;

NOW THEREFORE, for valuable consideration received, we hereby sell, assign, and transfer to Hexion Inc. our rights, title and interest in and to said invention in the United States and in all other countries throughout the world and further including the right to file further applications in all countries throughout the world in the name of Hexion Inc., or whomsoever that company may nominate, and to claim the priority of the above-named United States patent application under provisions of international conventions or treaties;

With respect to any country where the filing of such an application and/or the transfer of priority rights requires a separate deed of sale, assignment or transfer is required, we will undertake at the request of Hexion Inc. to execute such separate deed to Hexion Inc. or to whomsoever that company may nominate.

We hereby agree that we will, upon request, execute any instrument which Hexion Inc. desires, to carry this assignment into effect, and perfect the title transferred hereby, or to prosecute the above-mentioned United States application;

And the Commissioner of Patents of the United States is hereby authorized to issue Letters Patent on said above-named application to Hexion Inc.

IN WITNESS WHEREOF, this assignment has been executed by us on the date(s) below.
