U.S.A.	D458,618	06-11-2002	29/143,732	06-19-2001

WHEREAS, Kadant Black Clawson Inc. (hereinafter referred to as “Assignee”) is desirous of acquiring the entire right, title and interest in and to the Patent Portfolio;

WHEREAS, Assignor and Assignee have entered into a certain Asset Purchase Agreement dated as of June 19, 2014 (the “Agreement”) pursuant to which Assignee has acquired all right, title and interest in and to certain Intellectual Property rights, including the Assignor’s Patent Portfolio;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor by these presents confirms that Assignor has sold, assigned, transferred and conveyed unto Assignee, its successors, assigns and legal representatives, and hereby sells, assigns, transfers, and conveys to Assignee its entire, right, title and interest in and throughout the United States (including its territories and dependencies) and all countries foreign thereto:

(a) in and to the inventions disclosed in the Patent Portfolio;

(b) in and to the Patent Portfolio and any and all related United States and foreign patent applications disclosing said inventions, including provisionals, nonprovisionals, divisions, continuations, continuations-in-part, and continued prosecution applications and any other related United States and foreign patent applications thereof, along with all rights of priority created by said patent applications under the Paris Convention, and any other treaty relating thereto;

(c) in and to all United States and foreign patents which may be granted on any and all of said patents and applications, including extensions, reissues and reexamination certificates thereof; and

(d) in and to all rights to sue for and damages resulting from past, present and future infringement of all United States and foreign patents granted or to be granted on said applications and inventions disclosed therein, and related patents and patent applications including extensions, reissues, and reexamination certificates thereof;

said inventions, patents and patent applications, and rights to damages to be held and enjoyed by the above-named Assignee, for Assignee's own use and benefit, and for Assignee's legal representatives and assigns to the full end of the term or terms for which said patents may be granted, as fully and entirely as the same would have been held by the undersigned Assignor had this assignment and sale not been made.

Upon request of Assignee, and without further remuneration, Assignor further agrees to execute any and all documents and to do all other things reasonably requested by Assignee in order to vest more fully in Assignee any and all ownership rights in the Patent Portfolio.

IN WITNESS WHEREOF, a duly authorized officer of Assignor and Assignee has executed this agreement on the date listed below.
