**DECLARATION (37 CFR 1.63) FOR UTILITY OR DESIGN APPLICATION
USING AN APPLICATION DATA SHEET (37 CFR 1.76)**

Title of the Invention

Plural Medical Item Warming System and Method for Warming a
Plurality of Medical Items to Desired Temperatures

DECLARATION

As a below named inventor, I hereby declare that:

This declaration is directed to:

- ☐ The attached application, or
- ☒ United States application or PCT International application number 14/178,408;
filed on February 12, 2014.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims.

I acknowledge the duty to disclose to the Office all information known to me to be material to patentability as defined in 37 CFR §1.56.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

ASSIGNMENT

WHEREAS, the undersigned inventor(s) has/have invented certain new and useful improvements in Plural Medical Item Warming System and Method for Warming a Plurality of Medical Items to Desired Temperatures for which the above-identified patent application (further identified by the Docket Number) is being/was filed as indicated above;

WHEREAS, Medical Solutions, Inc., a corporation of the State of Virginia, having a place of business at 3901 Centerview Drive, Suite L, Chantilly, Virginia 20151, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of ten dollars (\$10.00) and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each undersigned inventor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto Medical Solutions, Inc. the full and exclusive right to said invention in the United States and its territorial possessions and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent which may be granted thereon in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all non-provisional applications, divisions, reissues, continuations and extensions thereof pertaining to said invention.

Each undersigned inventor hereby authorizes and requests the Patent and Trademark Office officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Medical Solutions, Inc., as the assignee of the entire interest in and to the same, for the sole use and behalf of Medical Solutions, Inc., its successors and assigns.

FURTHER, each undersigned inventor agrees to communicate to Medical Solutions, Inc., or its representatives, any facts known to that inventor respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all non-provisional, divisional, continuation, substitution, renewal and reissue applications pertaining to said invention, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Medical Solutions, Inc., make all rightful oaths and generally do everything possible to aid Medical Solutions, Inc., its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

Each undersigned inventor also hereby grants Medical Solutions, Inc., its successors, legal representatives, and assigns, the right to insert in this document any further identification (including, but not limited to, patent Application Number) which may be necessary or desirable for recordation of this Assignment.
