AGREEMENT, between Huang Haobo of Guangdong, China, and Foshan Tomxon Glass & Metal Products Co., Ltd. located at Zhangcha Industrial Base, Foshan City, Guangdong, China 528031 (hereinafter the Assignors), and J. Sonic Services Inc. located at 6869 Henri-Bourassa Blvd., West, St. Laurent, Quebec, Canada H4R 1E1 (hereinafter the Assignee).

In consideration of mutual promises and covenants among the parties, and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by each of the Assignors, the parties hereto agree as follows:

1. The term "Designs" means tile designs that have been in the past, and will be in the future, conceived, designed, developed, constructed, and/or reduced to practice by any or all of the Assignors on behalf of or at the request of the Assignee. The term "Intellectual Property" shall mean all intellectual property rights and may include such rights as may, for example, be embodied by a utility patent, design patent, design registration, trademark, trade dress, and/or copyright. Assignors, individually and collectively, agree to assign to and hereby grants Assignee the entire right, title and interest in and to the Designs and worldwide Intellectual Property on such Designs including the specific rights identified in paragraphs 2 and 3 below.
2. More specifically, the Assignors hereby assign to the Assignee the entire right, title and interest:

for the United States of America (as defined in 35 U.S.C. §100), and throughout the world, including the right to file Canadian and other non-US application(s) and the right to claim priority from the corresponding U.S. application(s), in the invention(s)/design(s) listed below:

- a. Attorney Docket No. 1817.036
Product ID: VG211
Title: "TILE PATTERN"
Inventor: Haobo HUANG

for which application(s) for patent in the United States of America have been executed by the Inventor(s) or will be executed by the Inventor(s) (also known as United States Application No. _____, filed _____) and in any and all provisional and complete applications thereon, in any and all reissues, extensions, renewals, reexaminations, divisional, continuations, and continuations-in-part, of such applications or Letters Patent(s) to the full end of the term or terms for which such Letters Patent(s) issue, such entire right, title and interest to be held and enjoyed by the above-named Assignee the same as they would have been held and enjoyed by the Assignors had this assignment and sale not been made.

3. The Assignors hereby assign to Assignee and its assignees, all rights, title and interest in his or her copyright in VG211. The Assignors agree to cooperate with Assignee and its assignees and to execute and deliver all papers as may be necessary to vest all copyright rights to the TILE PATTERN VG211, to Assignee.
4. The Assignors agree to perform all affirmative acts that may be necessary to obtain a copyright registration in the United States, Canada, or other countries. The Assignors also agree to perform all affirmative acts that may be necessary to obtain a grant of a valid design registration and/or patent in the United States, Canada, or other countries. The Assignors, more specifically agree to execute all papers necessary in connection with any copyright registration(s), design registration(s) or patent application(s) and any continuation, divisional, continuation-in-part, reissue, reexamination or corresponding application(s) thereof and also to execute separate assignments in connection with such registrations and/or applications as the Assignee may deem necessary or expedient.
5. The Assignors agree to execute and deliver all papers necessary in connection with any interference which may be declared concerning the application(s) or any continuation, division, reissue or reexamination thereof and to cooperate with the Assignee in all reasonable ways to obtain evidence and go forward with the interference. The Assignors agree to cooperate with the Assignee in all reasonable ways to assist in any litigation or enforcement actions that arise or that are initiated in connection with the copyrights or subsequent registrations or patents.
6. The Assignors hereby covenant that he/she has full right to convey all of their interest, herein assigned, and that he/she (they) will not execute, any agreement in conflict therewith. Assignors agrees not to file any application(s) to register the Design(s) without the explicit written consent of Assignees, and if such application(s) is filed in contravention of this paragraph, to immediately assign such application(s) to Assignee.
7. The Assignors hereby grant Perry J. Saidman, Esq., Registration No. 26,028, of SAIDMAN DesignLaw Group, 8601 Georgia Avenue, Suite 603, Silver Spring, MD 20910, power to insert on this agreement any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or any foreign country for recordation of this document.
8. This Agreement constitutes the full and complete agreement regarding this subject matter hereof, and no changes may be made to this agreement without an express writing signed by the parties hereto. The interpretation of this agreement will be made in accordance with the laws of Canada.

IN WITNESS WHEREOF, the parties have signed this Agreement on the date(s) below.
