ASSIGNMENT

WHEREAS, Andrew Skurdal, having a residential address of 354 Retford Avenue, Cranford, New Jersey 07016, U.S.A., is the inventor of a certain new and useful invention (the "Invention") relating to a:

CHARGING STATION

for which the Inventor is about to make application for Design Letters Patent in the United States (the "Application"); and

WHEREAS, Andrew Skurdal (the "Assignor") is the owner and in full possession of certain right, title and interest in and to said Invention, in and to said Application and in and to any and all Design Letters Patent that may be granted therefor; and

WHEREAS, Brightbox, Inc. (hereinafter referred to as "Assignee"), having an address of 250 Fifth Avenue, Suite 503, New York, NY 10001, U.S.A., is desirous of acquiring the entire right, title and interest in and to said Invention and in and to any and all Design Letters Patent that may be granted therefor; and

NOW, THEREFORE, to all whom it may concern, be it known that, for \$1.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign and transfer unto said Assignee, the entirety of his right, title and interest within the United States, its territories and possessions, and all foreign countries, in and to said Invention, said Application, and any and all Design Letters Patent that may be granted therefor in the United States, its territories and possessions, and all foreign countries, together with any and all provisionals, non-provisionals, continuations, continuations-in-part, divisions, reissues, renewals, reexaminations, substitutes or extensions thereof, and including all rights to claim priority, and Assignor does hereby authorize and request all appropriate domestic and foreign patent or government authorities in foreign countries to issue in accordance with this Assignment any and all Design Letters Patent that may be granted, either on said Application or otherwise for said Invention.

ASSIGNOR further covenants and agrees that he will, at any time upon request, execute and deliver any and all documents that may be necessary or desirable to perfect Assignee's

rights in and to the Invention and any and all United States and/or foreign Letters Patent that may be granted on said Application or otherwise for said Invention.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year written below.
