## ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned:

**CENTRIX, INC.**, a corporation of the State of Washington, having a place of business at **1022 West Valley Highway, Kent, Washington 98032**, the current owner of United States Letters Patent No. 8,075,234 entitled **EXPANDABLE COLLET ANCHOR SYSTEM AND METHOD**, issued by the U.S. Patent and Trademark Office on December 13, 2011

does hereby sell, assign and transfer to **TRAVIS D. McCLURE of 1022 West Valley Highway, Kent, Washington 98032**, the inventor of U.S. Patent No. 8,075,234, his successors, assigns, and legal representatives, the full and exclusive right to said invention, derivatives and improvements thereto, and said issued patent and to any and all inventions described in said patent for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefore in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possession and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions, agreements, acts, and treaties;

Agree that TRAVIS D. McCLURE, hereinafter referred to as Assignee, may apply for and receive Letters Patent for any invention derived from said issued patent, hereinafter referred to as said invention, in his own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, his successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, his successors, assigns or legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, his successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, successors, assigns, or legal representatives;

The terms "Application" and "Application for Letters Patent" as used herein include both provisional and non-provisional applications;

CENTRIX, INC. hereby authorizes the above-named Assignee or his legal representative to insert in this instrument the filing date and serial number of said issued Patent or any other information that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN THE TESTIMONY WHEREOF I have hereunto set my signature on the date indicated below.
