ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign to Joint Innovation Technology, LLC, a New Jersey limited liability company, having a principal place of business at 6537 Via Rosa, Boca Raton, FL 33433, its successors, legal representatives and assigns, the entire right, title and interest in my inventions or discoveries set forth or disclosed in the following U.S. patents and patent applications (both provisional and non-provisional patent applications), International PCT applications and foreign patent application and in any non-provisional, reissue, extension, divisional, continuation and continuation-in-part application(s) thereof and of any Letters Patent that may be granted upon said applications (hereinafter "said patents and applications"), as set forth in Appendix A hereto.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Joint Innovation Technology, LLC (the "Assignee").

For said consideration, I hereby agree upon the request of said Assignee, its successors, legal representatives and assigns, to execute any and all non-provisional, divisional, continuation and continuation-in-part applications for my inventions or discoveries, and any necessary oath or supplemental oath or affidavit relating thereto, and any applications for the reissue or extension of any Letters Patent that may be granted upon any of said patents and applications that said Assignee, its successors, legal representatives or assigns may deem necessary or expedient, and for the said consideration I further agree upon the request of said Assignee, its successors, legal representatives or assigns, in the event of said applications or any division or continuation thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to cooperate to the best of our ability with said Assignee, its successors, legal representatives or assigns in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and I hereby agree to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in said Assignee, its successors, legal representatives and assigns as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made. For said consideration I hereby also assign to said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in said inventions or discoveries for any and all foreign countries, including all priority rights under convention, agreement or treaty, and agree upon the request of said Assignee, its successors, legal representatives and assigns, to execute any and all documents that shall be required of me to be executed in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and any proceedings thereon, and to execute any and all documents necessary to vest title in said foreign applications and patents in said Assignee.
