Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by the Assignors, had this sale and assignment not been made.

2. For the same consideration, the Assignors hereby represent and warrant to the Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to the Assignee under law or that have already been transferred to the Assignee, the Assignors are the sole and lawful owners of the entire right, title and interest in and to the Patents above-mentioned, and that the same is unencumbered and that the Assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

3. For the same consideration, the Assignors hereby covenant and agree to and with the Assignee, its successors, legal representatives and assigns, that the Assignors will sign all papers and documents, take all lawful oaths and, at the expense of Assignee, do all acts reasonably necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and Applications for Letters Patent for the Patents, without charge to the Assignee, its successors, legal representatives and assigns, whenever counsel of the Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with any Letters Patent or Applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

4. The Assignors hereby request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to the Assignee, as the Assignee of the Patents and the Letters Patent to be issued thereon, for the sole use and benefit of the Assignee, its successors, legal representatives and permitted assigns.

5. The Assignors hereby grant the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
