ASSIGNMENT

Serial No.: 13/827,403
Filed: March 14, 2013

WHEREAS, Rohit Girotra, a citizen of India, residing at 886-A De Haro Street, San Francisco, California 94107; Bernard H. Andreas, a citizen of the United States of America, residing at 933 Lundy Lane, Los Altos, California 94024; Alfredo Cantu, a citizen of the United States of America, residing at 4035 School Street, Pleasanton, California 94566; Nikhil Bhat, a citizen of India, residing at 1540 White Birch Terrace #118, Fremont, California 94536; Mansour Saleki, a citizen of the United States of America, residing at 6012 Susan Court, San Jose, California 95123; Shrirang V. Ranade, a citizen of the United States of America, residing at 911 Clipper Lane, Foster City, California 94404; and Miranda Ray, a citizen of the United States of America, residing at 709 N. 2nd Street, San Jose, California 95112; (hereinafter called "Assignors"), have made certain new and useful inventions or discoveries relating to:

ADHESIVE EARPLUGS USEFUL FOR SEALING THE EAR CANAL

for which they have this day executed an application for Letters Patent of the United States; and

WHEREAS, Acclarent, Inc., a corporation of the state of Delaware, (hereinafter called "Assignee"), is desirous of acquiring Assignors' entire right, title, and interest therein:

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of One Dollar and other valuable considerations to them moving, the receipt of which is hereby acknowledged, Assignors have sold, assigned, and transferred, and do hereby sell, assign and transfer unto said Assignee their entire right, title and interest in and to all said inventions and discoveries disclosed in said application whose identification above by serial number and filing date, when available is hereby authorized, and in and to said application, all substitutions, divisions, and continuations thereof, and in and to all Letters Patent, United States and foreign, that may be granted for said inventions and discoveries, and in and to all extensions, renewals, and reissues thereof, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made;

And Assignors hereby authorize and request the Commissioner of Patents of the United States to issue said Letters Patent in accordance with this Assignment;

And for the consideration aforesaid, Assignors covenant and agree with said Assignee that he has a full and unencumbered title to the inventions and discoveries above described and hereby assigned, which title they warrant unto said Assignee, its successors and assigns;

And for the consideration aforesaid, Assignors further covenant and agree that they will, whenever requested, but without cost to them promptly communicate to said Assignee or its representatives any facts known to them relating to said inventions and discoveries, testify in any

interference or legal proceedings involving said inventions and discoveries, and execute any additional papers that may be necessary to enable said Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection for the said inventions and discoveries or that may be necessary to vest in said Assignee the complete title to the said inventions and discoveries and patents hereby conveyed and to enable it to record said title,

IN TESTIMONY WHEREOF, Assignor has hereunto set his hand and seal this 24th day of APRIL, 2013.

WHEREAS, Acclarent, Inc., a corporation of the state of Delaware, (hereinafter called "Assignee"), is desirous of acquiring Assignors' entire right, title, and interest therein:

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the sum of One Dollar and other valuable considerations to them moving, the receipt of which is hereby acknowledged, Assignors have sold, assigned, and transferred, and do hereby sell, assign and transfer unto said Assignee their entire right, title and interest in and to all said inventions and discoveries disclosed in said application whose identification above by serial number and filing date, when available is hereby authorized, and in and to said application, all substitutions, divisions, and continuations thereof, and in and to all Letters Patent, United States and foreign, that may be granted for said inventions and discoveries, and in and to all extensions, renewals, and reissues thereof, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made;

And Assignors hereby authorize and request the Commissioner of Patents of the United States to issue said Letters Patent in accordance with this Assignment;

And for the consideration aforesaid, Assignors covenant and agree with said Assignee that he has a full and unencumbered title to the inventions and discoveries above described and hereby assigned, which title they warrant unto said Assignee, its successors and assigns;

And for the consideration aforesaid, Assignors further covenant and agree that they will, whenever requested, but without cost to them promptly communicate to said Assignee or its
