and the application for United States Letters Patent therefor filed on September 25, 2001, Application No. 09/962,798, and such patents as may issue thereon, and all divisions, reissues and continuations and continuations-in-part thereof.

And I hereby covenant that I have full right to make such assignment, and agree for myself and my executors and administrators that I will, at the expense of said Insightful Corporation, execute all applications for patents in foreign countries, execute all divisional, continuing, reissue and re-examination applications, make all rightful oaths, sign all lawful papers, testify in any proceeding in which said invention or any application or patent directed thereto may be involved, and generally do everything possible to aid said Insightful Corporation, its successors and assigns, to obtain and enforce proper patent protection for said invention in the United States, its territories and all foreign countries.

And I hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent on said invention or resulting therefrom to Insightful Corporation, its successors and assigns.

I, the inventor, signing below, hereby authorize and request our attorney to insert above, the application number when it becomes known.

IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals.
