CONFIRMATORY ASSIGNMENT

WHEREAS, I, Michelle Dupré, have invented one or more inventions (hereinafter referred to as "said invention(s)") disclosed in the following applications for Letters Patent of the United States (hereinafter referred to as "said applications"):

U.S. Patent Application No. 14/144,466, filed on December 30, 2013, issued as U.S. Patent No. 9,247,836;

WHEREAS, Tandem Goods LLC, having its principal offices at 220 25th St. #105, Brooklyn, NY 11232 (hereinafter together with its successors and assigns referred to as "the Assignee"), is desirous of obtaining all right, title and interest in, to and under said invention(s) and said applications; and

NOW, THEREFORE, for good and valuable considerations, the receipt and sufficiency of which I hereby acknowledge, I have sold, assigned, transferred and set over, and by these presents hereby sell, assign, transfer and set over to the Assignee all right, title and interest in, to and under said invention(s) and said applications, including the right to apply for any Letters Patent of the United States of America and in any and all foreign countries on said invention(s), and any and all other applications for Letters Patent on said invention(s), in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part and convention applications based in whole or in part upon said invention(s) or upon said applications, and any and all Letters Patent which may issue thereon in the United States and foreign countries, and any and all reissues, extensions, renewals, divisions, continuations or continuations-in-part of Letters Patent granted for said invention(s) or upon said applications, to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention(s), said application and said Letters Patent, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by us had this Assignment not been made. I hereby authorize the Assignee to file patent applications in any and all countries on any or all of said invention(s) in our names, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or otherwise.

IN TESTIMONY WHEREOF, I have executed this document on the dates indicated below.

Date: 11/29/2016
