ASSIGNMENT

WHEREAS, I, DANIEL PAUL MILLER of Brush Prairie, WA, U.S.A., have invented, certain invention(s) entitled "Laying and Protecting Cable into Existing Covering Surfaces" the specification for which application(s) were made for Letters Patent. Said application(s) may be identified in the U.S. Patent Office by Provisional Appl. No. 61/244,954, filed September 23, 2009 and Utility Appl. No. 12/889,196, filed September 23, 2010; and before the World Intellectual Property Organization by International Appl. No. PCT/US10/50042 filed 23 September 2010;

WHEREAS, QUANTA ASSOCIATES, L.P., a Texas Limited Partnership, having a business address at 2800 Post Oak Blvd., Ste. 2600, Houston, TX 77056, is desirous of acquiring the entire right, title and interest in and to said invention(s), said application(s) and in, to and under any and all Letters Patent to be obtained therefrom;

NOW, THEREFORE, for good and valuable consideration, including the amount of \$ 1 the receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said QUANTA ASSOCIATES, L.P., its successors and assigns, my entire right, title and interest in and to said invention(s), said application(s) and any Letters Patent, both foreign and domestic, that may or shall issue, including any application(s) and Letters Patent derived therefrom and all of my rights under the International Convention, and I do hereby authorize and request officials of Patent or Intellectual Property Offices throughout the world to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

I further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration, I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I or my executor or administrator will at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors, and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application(s) for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, or of any and all foreign

countries or regions on said invention, and in enforcing or maintaining any rights occurring as a result of such.

Nunc pro tunc effective September 22, 2010.

DANIEL PAUL MILLER
