COMBINED DECLARATION and ASSIGNMENT
Utility Application

TITLE OF INVENTION: FURNITURE SYSTEMS WITH RECLINER ASSEMBLY

As a below named inventor, I hereby declare that:

APPLICATION IDENTIFICATION

This declaration and assignment is directed to the attached United States Patent Application entitled FURNITURE SYSTEMS WITH RECLINER ASSEMBLY, File No. 15605.171.3 of the law firm of Workman Nydegger, Patent Application Serial No. 15/342,800, filed on November 3, 2016. I hereby authorize the attorneys of Workman Nydegger to fill in said application serial number and filing date when known.

DECLARATION AND ACKNOWLEDGEMENT

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the above-identified application.

I hereby state that I have reviewed and understand the contents of the above-identified application, including the claim(s).

I acknowledge the duty to disclose all information which is material to patentability as defined in 37 C.F.R. § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

ASSIGNMENT

The Assignee, SAC ACQUISITION LLC, a limited liability company of the state of Delaware and having a principal place of business at Two Landmark Square, Suite 300, Stamford, CT 06901, desires to secure the entire right, title and interest in the above-identified application and in the invention disclosed therein.

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to me by the Assignee, the receipt and sufficiency of which is hereby acknowledged, I HEREBY ASSIGN AND AGREE TO ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in the above-identified application and in the invention disclosed therein and in all divisionals, continuations and continuations-in-part of said application, or claiming priority thereto, and in all corresponding applications filed in countries foreign to the United States and in all patents issuing thereon in the United States and foreign countries and in all reissues or extensions of patents granted thereon.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim priority to or the benefit of the above-identified application under all applicable treaties and conventions.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, continuation, continuation-in-part, substitute, reissue, and other United States and foreign patent applications on the invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in: (1) proceedings relating to nullification, reissue, extension, post grant, inter partes, derivation, supplemental examination, and infringement involving the invention; (2) execution of all lawful documents involving the invention; and (3) the production of evidence involving the invention.

This assignment and agreement are and will be binding upon my heirs and legal representatives. This assignment and agreement may be executed in separate counterparts, which, when combined, constitute the same agreement.
