ASSIGNMENT BY INVENTOR

THIS ASSIGNMENT, made by Edward Peter Kenneth Bourgeau (hereinafter referred to as Assignor), residing at 14727 Kellywood Lane, Houston, Texas 77079;

WHEREAS, Assignor has co-invented certain new and useful improvements in SUBSEA ENERGY STORAGE FOR BLOW OUT PREVENTERS (BOP), set forth in a Patent application for Letters Patent of the United States, already filed on November 7, 2013 as United States Application No. 14/074,602 and International Application No. PCT/US2013/069002, claiming the benefit of United States Provisional Application No. 61/723,591 previously filed on November 7, 2012; and

WHEREAS, Transocean Sedco Forex Ventures Limited, a company organized under and pursuant to the laws of CAYMAN ISLANDS having its principal place of business at 70 Harbour Drive, 4th Floor, George Town Grand Cayman KY1-1003, CAYMAN ISLANDS (hereinafter referred to as Joint Assignee), is desirous of acquiring Assignor's fifty (50) percent right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto Joint Assignee, its successors, legal representatives and assigns, his fifty (50) percent right, title and interest in and to the above-mentioned inventions and application for Letters Patent, and in and to any and all direct and indirect divisions, continuations and continuations-in-part of said application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Joint Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent

may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Joint Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Joint Assignee under law or that have already been transferred to Joint Assignee, Assignor is the sole and lawful owner of his fifty (50) percent right, title and interest in and to the said inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Joint Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, whenever counsel of Joint Assignee, or counsel of its successors, legal representatives and assigns requests such action.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Joint Assignee, as Joint Assignee of said inventions and the Letters Patent to be issued thereon, for the sole use and benefit of Joint Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
