and in and to said application, and all divisions, renewals and continuations thereof, and all Letters Patent of the  
 United States which may be granted thereon, and all reissues and extensions thereof, and all applications for Letters  
 Patent or other grants of protection of proprietary rights including, but not limited to, inventor's certificate, utility  
 model, utility certificate, patent of importation, registration of patent and industrial design registration which may be  
 filed, and which may be granted, upon said inventions in any countries or regions foreign to the United States, and  
 all reissues, renewals and extensions thereof; and I/we hereby authorize and request the Commissioner for Patents  
 and Trademarks of the United States, and all officials of countries or regions foreign to the United States having  
 authority to do so, to issue all such Letters Patent or other grants of protection upon said inventions to the Assignee  
 or to such nominees as it may designate.

AND I/we authorize and empower the said Assignee or nominee to invoke and claim for any application  
 for such Letters Patent or other grants of protection for said inventions filed by it or them, the benefit of the right of  
 priority provided by the International Convention for the Protection of Industrial Property, as amended, or by a  
 convention which may hereafter be substituted for it, and to invoke and claim such right of priority without further  
 written or oral authorization from me/us.
