RELEASE OF SECURITY INTEREST

This Release of Security Interest ("**Release**") is made and executed for valuable consideration by each of the parties listed on the signature page hereto ("**Secured Parties**") in favor of Vigilos, Inc. ("**Vigilos**"), a Washington corporation.

A. Vigilos and Secured Parties are parties to a Note Purchase Agreement, dated as of May 2, 2005, pursuant to which Secured Parties purchased secured convertible promissory notes (the "**Notes**").

B. On May 18, 2005, there was recorded an Amended and Restated Security Agreement, dated May 2, 2005, in the United States Patent and Trademark Office at Reel/Frame 017286/0625 (the "**Security Agreement**").

C. Pursuant to the Security Agreement, Vigilos granted to Secured Parties a security interest in certain of its now existing or hereafter acquired personal property (collectively, the "**Collateral**") to secure Vigilos' obligations under the Notes.

D. The parties now agree that it is in the best interests of Secured Parties and Vigilos for certain of the Collateral to be sold to a third party;

NOW, THEREFORE, for valuable consideration and through the execution of this Release, Secured Parties hereby irrevocably and unconditionally release all right, title and interest in the Collateral, including, without limitation, the patents and patent applications listed in Exhibit A (the "**Patents**") and any and all of the following:

(a) inventions, invention disclosures, and discoveries described in any of the Patents;

(b) all patents and patent applications (i) to which any of the Patents directly or indirectly claims priority, (ii) for which any of the Patents directly or indirectly forms a basis for priority, and/or (iii) that directly or indirectly incorporate by reference the Patents or are directly or indirectly incorporated by reference by the Patents;

(c) all reissues, reexaminations, extensions, continuations, continuations in part, continuing prosecution applications, requests for continuing examinations, divisions, registrations of any item in any of the foregoing categories (a) and (b);

(d) all foreign patents, patent applications, and counterparts relating to any item in any of the foregoing categories (a) through (c), including, without limitation, certificates of invention, utility models, industrial design protection, design patent protection, other governmental grants or issuances, and any rights to apply in any or all countries of the world for patents, certificates of invention, utility models, industrial design protections, design patent protections, or governmental grants or issuances of any type related to any of the Patents and the inventions, invention disclosures, and discoveries therein;

(e) causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights under, or on account of, any of the Patents and/or the rights described in the above subparagraph (b), including, without limitation, all causes of action and other enforcement rights for

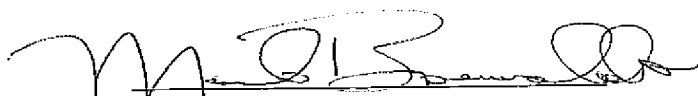

- (i) damages,
- (ii) injunctive relief, and
- (iii) any other remedies of any kind,

for past, current and future infringement; and

(f) rights to collect royalties or other payments under or on account of any of the Patents and/or any of the foregoing appurtenant thereto.

Secured Parties hereby authorize Vigilos or Vigilos' authorized representative to (i) record this Release with the United States Patent and Trademark Office (ii) file UCC Financing Statement Amendments with the applicable filing office in order to terminate UCC financing statements filed on behalf of Secured Parties against Vigilos and/or (iii) otherwise file this Release.
