ASSIGNMENT

This Assignment is made by YEHUDA NOUROLLAH of Gardena, California, Assignor, to OXGORD INCORPORATED, a California corporation, Assignee, having a place of business at 1118 Glenville Dr., Los Angeles, California 90035.

WHEREAS, Assignor has invented a new, original and ornamental design for a PET CARRIER, for which an application for United States Letters Patent is filed herewith; and

WHEREAS, Assignor believes itself to be the original and first inventor of the subject matter disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said design, said application, and any Letters Patent that may be granted for said design in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, the entire right, title and interest in and to said design, said application, and any Letters Patent that may be granted for said design in the United States and throughout the world, including the right to file foreign applications for patents for said design directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, its legal representative(s) and assign will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent for said design in the United States and throughout the world, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said design, said application, and any Letters Patent granted for said design in the United States and throughout the world.

Assignor represents and warrants that it has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said design, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said design.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment on the dates written herein below.
