ASSIGNMENT

WHEREAS, Anton Tkachenko, having a mailing address at 19 Shelgunova Street, Apt. 56, St. Petersburg, Russia 192174 (hereinafter "the Assignor"), is the inventor of a new invention which is a subject of the United States Utility Patent Application, entitled LOCKING MECHANISM FOR A FOLDING INSTRUMENT; and

WHEREAS, Sport Manufacturing Group Inc. (hereinafter "the Assignee"), a corporation duly organized under the laws of the State of New York and having a principal place of business at 76-05 113th Street, Forest Hills, NY 11375, USA is desirous of acquiring the entire right, title and interest in and to said Patent Application and the invention(s) and design(s) described therein, and each and every patent that can be issued on said invention(s) and design(s) in the United States of America and its territories and possessions, and in all countries foreign to the United States of America;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of One Dollar (\$1.00), in hand paid, and of other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign, transfer, and set over unto the Assignee the entire full and exclusive right, title, and interest in and to the aforesaid Patent Application, including all continuations, continuations-in-part, renewals, reissues and reexaminations thereof; the aforesaid invention(s), design(s) and/or improvement(s); and each and every Patent that may be issued on the aforesaid invention(s), design(s) and/or improvement(s) in the United States of America and its territories and possessions and also in all countries foreign to the United States of America, including all treaty and convention rights and the right to sue for present, past, and future infringement, the same to be held and enjoyed by said Assignee, its successors, assigns, or other legal representatives, to the full ends of the terms for which all Patents therefor may be granted, as

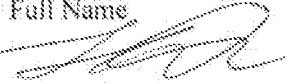

fully and entirely as the same would have been held and enjoyed by the Assignor and sale had not been made. All parties agree that the consideration received by the Assignor is adequate and no additional future consideration will be required in connection with this Assignment.

Assignor hereby authorizes the Assignee and its successors to make application for and to receive Patent for said invention(s), design(s) and/or improvement(s) in any of said countries at its election. And by this covenant the Assignor will execute or procure any further necessary assurance of title to said invention(s), design(s) and/or improvement(s) and Patent; and at any time, upon the request and at the expense of said Assignee, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention(s), design(s) and/or improvement(s) or any Patents which may be granted therefor in said Assignee, its successors, assigns or other legal representatives. The Commissioner for Patents is hereby authorized and requested to issue any and all Patents of the United States for said invention(s), design(s) and/or improvement(s) to said Assignee.

IN WITNESS WHEREOF, Assignor has executed this document on the date indicated below.
