# ASSIGNMENT

# UTILITY PATENT

WHEREAS, the undersigned inventors ("ASSIGNORS") of the addresses indicated below, have invented and designed subject matter with respect to a clothing apparatus, as disclosed in an application titled, "CLOTHING SUPPORT APPARATUS", which forms the basis of the non-provisional utility patent application filed with the United States Patent & Trademark Office ("USPTO") on 11/23/2016 under serial number 15/359740 ("Invention");

AND WHEREAS, GOODBODY GOODMOMMY, LLC. (hereinafter "ASSIGNEE"), a New Jersey limited liability company having its principal place of business and mailing address at 35 Lake Avenue, Fair Haven, NJ 07704, is desirous of memorializing its interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNORS by these presents does sell, assign and transfer unto ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right to the Invention, any application to be filed with the USPTO (including provisional, non-provisional, continuation, continuation in part, divisional, and/or reissue application(s)), foreign application(s), application(s) filed under the Patent Cooperation Treaty or like document, or any other application which claims priority to any filed application, in the United States and all foreign countries, together with the right of priority under the Paris Convention for the Protection of Industrial Property, and any other international agreements to which the United States adheres, for the sole use and benefit of ASSIGNEE, its successors, assigns and legal representatives. ASSIGNORS also assigns to ASSIGNEE all rights to action for past, current and future infringement of aforesaid Invention. ASSIGNORS further assigns to ASSIGNEE all damages and/or remedies for said past, current and future infringement of aforesaid Invention.

ASSIGNORS additionally transfer to ASSIGNEE, its successors, assigns and legal representatives, without further remuneration, a like interest in and to any improvements, derivative works, and applications based thereon, growing out of or relating to and as embodied in the Invention along with previous related works that developed into this Invention. ASSIGNORS also agree to execute and sign papers to assist ASSIGNEE, its successors, assigns and legal representatives, to preserve, acquire and/or perfect ASSIGNEE's full protection and title in and to the Invention and any improvements and to file any of the aforementioned applications.

In the event that any relevant information pertaining to the application is not available when this Assignment is executed, ASSIGNORS hereby authorize and request any attorney associated with the Law Offices of Alozie N. Etufugh, PLLC, to insert in, or to, this assignment, any further information or identification that may be necessary or desirable in order to comply with the rules of the USPTO for recordation of this document or for further identification of the Invention. This Assignment is governed by the substantive laws of the State of New York, and any disputes will be resolved in a New York state court or Federal court located in New York City.
