ASSIGNMENT

INVENTOR: Michael Wallace

In consideration of the sum of one U.S. dollar (US \$1.00) and other good and valuable consideration paid to the undersigned, the undersigned agree to assign, and hereby does assign, transfer and set over to CardioProlific Inc., (a Delaware corporation) having an address at 507 Casazza St. #A Reno, NV89502 (hereinafter designated the "Assignee") the entire worldwide right, title and interest in the following inventions:

1. US Patent Application title: "Intracerebral Hemorrhage Treatment", Serial No. 13/870,777 filed on April 25, 2013
2. US Patent Application title: "Methods and Devices for Removing Obstructing Material From the Human Body", Serial No. 14/212,987 filed on March 14, 2014
3. US Patent Application Title: "Methods and Devices for Removing Obstructing Material From the Human Body", Serial No. 15/225/123 filed on August 1, 2016

The undersigned agree to execute all papers necessary in connection with the application and any continuation, divisional or continuation in part applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agree to execute all papers necessary in connection with any interference which may be declared concerning this application or continuation or division thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned agree to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the international Convention for Protection of Industrial Property or similar agreements.

The undersigned agree to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignee.

The undersigned hereby authorize and request the Commissioner of Patents to issue any and all Letters Patents of the United States resulting from said application or any division or continuing applications thereof to Assignee, as Assignee of the entire interest, and hereby covenant that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute any agreement in conflict herewith.

The undersigned hereby grant Raymond Sun, Reg. No. 35,699 the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent & Trademark Office for recordation of this document.
