Assignment

Whereas, I, Timothy D. Root, hereinafter referred to as the applicant, have invented certain new and useful improvements in a "VIDEO CONFERENCING APPARATUS" which is the subject of United States Patent Application number 29/582,770, and

Whereas, RevoLabs, Inc. located in Sudbury Massachusetts, herein referred to as "Assignee", whose mailing address is 144 North Road, Sudbury MA, is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, for valuable consideration furnished by RevoLabs to me/us, receipt and sufficiency of which I hereby acknowledge, I, the applicant, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the entire rights, title and interest in and to any and all Patents which may be granted therefore in the United States. I hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for their sole use and behoof; and for the use and behoof of their legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would be been held by me had this assignment and sale not been made.
