ASSIGNMENT

WHEREAS, I, **John Byrne** of Boston, Massachusetts, have made certain inventions which are described in an application for Letters Patent of the United States Application 15/311,052 filed November 14, 2016, entitled **Solution Target for Cyclotron Production of Radiometals**, which claims priority to PCT Patent Application No. US2015/031140, filed May 15, 2015, which claims priority to 61/993,365 filed May 15, 2014; and

WHEREAS, **Brigham and Women's Hospital, Inc.** (hereinafter referred to as said Company), a Massachusetts corporation having a place of business at **75 Francis Street, Boston, Massachusetts 02115** is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the inventors hereby assign and transfer unto said Company, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to said inventions, the aforesaid application, all other applications hereafter filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company. I further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries.

I hereby warrant that I have the full right to make the conveyance herein, and I hereby covenant that I, my heirs, legal representatives and assigns, will when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, I have hereunto set my hands and seals at the location and on the date indicated with my signature.

Signature: *John Byrne*
