PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT, made this 17th day of July 2015, by Scynexis, Inc., a Delaware corporation with a principal place of business at 3501 C Tricenter Boulevard, Durham, North Carolina 27713 (hereinafter referred to as Assignor) to Accuratus Lab Services, Inc., a corporation organized under and pursuant to the laws of Delaware having its principal place of business at 1285 Corporate Center Drive, Suite 110, Eagan, Minnesota 55121 (hereinafter referred to as Assignee).

WHEREAS, Assignor desires to transfer and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to, and under the patents, patent applications and preparations for patent applications listed on Schedule A attached hereto, and all of Assignor's worldwide right, title and interest in, to, and under any foreign or domestic counterparts of the foregoing, and any respective inventions disclosed, claimed or represented therein, and all other patent rights that may be based thereon, and any renewals, revivals, substitutes, divisions, reissues, reexaminations, continuations, continuations-in-part and extensions thereof, and all patents that may issue on any of the foregoing, together with all right in and to any and all causes of action accrued or accruing for infringement or threatened or alleged infringement of such patent rights (hereinafter collectively referred to as the "Patent Rights");

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over, unto Assignee, its successors, legal representatives and assigns, all of Assignor's right, title and interest in, to and under the Patent Rights, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Patent Rights may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made and Assignee hereby accepts the transfer and assignment of the Patent Rights.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Patent Rights of the United States to Assignee, as Assignee of said Patent Rights to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby, but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
