ASSIGNMENT

WHEREAS, I, **Marilyn Kehry**, citizen of the United States, having a mailing address of 10440 Rock Creek Drive, San Diego, CA 92131 residing at San Diego, CA, ASSIGNOR, am the inventor of the invention in **PD-1 BINDING PROTEINS AND METHODS OF USE THEREOF** for which an application for a Patent of the United States has been filed.

- which is identified by Jones Day docket no. 10624-294-999 (CAM 700755-999294)
- which was filed on September 28, 2016, Application No. 15/278,425

and WHEREAS, **AnaptysBio, Inc.**, a corporation organized and existing under the laws of the state of Delaware, and having an office for the transaction of business at 10421 Pacific Center Court, San Diego, CA 92121, ASSIGNEE, is desirous of obtaining my entire right, title and interest in, to and under the said invention and the said application:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, the ASSIGNOR, has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, its entire right, title and interest in, to and under the said invention, and the said United States application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and all right to sue for infringement including past infringement.

AND I HEREBY authorize and request the Commissioner for Patents and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything necessary to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries. Notwithstanding the foregoing, Assignor shall not have any obligation to provide any assistance, including the execution of papers, with respect to patents, patent applications, or any other form of intellectual property rights, that exceed the scope of the invention.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal the day and year set opposite my signature.

Date Dec 13, 2016

Marilyn Kehry L.S.
