ASSIGNMENT

WHEREAS, LAWRENCE A. GREER, a resident of the State of Alabama, whose address is 1011 Bradley Avenue, Bay Minette, AL 36507, (hereinafter referred to as "GREER"), is the inventor of a certain new and useful invention for an improved Canopy for Watercraft as set forth in United States Patent Application Serial No. 14/869,385 filed September 29, 2015 for United States Letters Patent based thereon; and,

WHEREAS, George L. Williamson, (hereinafter referred to as "WILLIAMSON"), a resident of the State of Alabama, having a business mailing address at P.O. Box 508, Fairhope, Alabama 36533, is desirous of acquiring an undivided thirty percent (30%) interest in the right, title and interest in and to the said invention and application and in and to any Letters Patent that may be issued and granted therefor.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, GREER has sold, assigned, and transferred, and by these presents hereby sells, assigns and transfers unto WILLIAMSON an undivided thirty percent (30%) interest in the right, title and interest in and to the said invention and application in the United States of America and in all of its colonies and territorial possessions, and in any and all foreign countries, including all rights under the International Convention, and in and to all Letters Patent which may be issued and granted therefor in the United States of America and all of its colonies and territorial possessions, and in any and all foreign countries, and in and to any and all divisions, reissues, continuations in whole or in-part, substitutions, renewals, and extensions, and, to any improvements thereof.

Further, GREER agrees that he will communicate to said WILLIAMSON or his designated representatives any facts known to him respecting the said invention and the

application for Letters Patent, and Letters Patent issued and granted as a result thereof, testify in any legal proceedings, sign all lawful papers, execute all divisions, continuations, continuations-in-part, substitutions, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said WILLIAMSON in accordance with the thirty percent (30%) interest provided herein, make all rightful oaths, and generally do everything necessary or desirable to aid said WILLIAMSON and his successors and assigns to obtain and enforce proper protection for the said invention and application in the United States of America and all of its colonies and territorial possessions and in any and all foreign countries.

Further, GREER agrees that this agreement shall be binding upon the parties hereto, their heirs, executors, administrators, successors and assigns.

Executed this 22 day of December, 2016.
