**TERMINATION
OF
COLLATERAL ASSIGNMENT OF PATENTS**

THIS TERMINATION OF COLLATERAL ASSIGNMENT OF PATENTS (this "Termination of Assignment") is made and executed, effective as of December 28, 2016, by **TRUEVISION SYSTEMS, INC.**, a Delaware corporation ("Assignor"), to **LARRY BARELS** ("Assignee"), for himself and as Collateral Agent (as defined in the Note Purchase Agreement) for the persons and entities listed on **SCHEDULE 1** hereto, as such Schedule may be amended from time to time (the "Secured Parties"), with reference to the following facts.

A. On or about March 18, 2011, the parties entered into a Collateral Assignment of Patents (the "Assignment") to secure Assignor's obligations to the Secured Parties under that certain Note Purchase Agreement dated as of March 18, 2011, by and among Assignor and the Secured Parties (the "Note Purchase Agreement") and the Senior Secured Convertible Promissory Notes issued under the Note Purchase Agreement (the "Notes").

B. The parties agree that Assignor has satisfied all of its obligations to the Secured Parties under the Note Purchase Agreement and that the Assignment should be terminated.

C. The parties to enter into this Termination Agreement to effect the termination of the Assignment.

NOW, THEREFORE, the parties hereto agree as follows:

1. **TERMINATION OF ASSIGNMENT.** Assignor and Assignee hereby terminate Assignor's assignment to Assignee of the Patents and the Collateral (as those terms are defined in the Assignment) as collateral and for purposes of securing Assignor's payment and performance of its obligations to any Secured Party under the Note Purchase Agreement

2. **AUTHORIZATION AND REQUEST.** Assignor hereby authorizes and requests that the Commissioner of Patents and Trademarks record this Termination of Assignment.

3. **AGENT.** Assignee has been appointed as Collateral Agent for the Secured Parties pursuant to the Note Purchase Agreement. Assignee, as Collateral Agent, has the right to execute and deliver this Termination of Assignment and to authorize the recording thereof.

4. **EXPENSES.** Assignor will pay any and all expenses relating to the recordation of this Termination of Assignment.

5. **NO WAIVER.** No course of dealing between Assignor and Assignee, nor any failure to exercise, nor any delay in exercising, on the part of Assignee, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

6. **SEVERABILITY.** The provisions of this Termination of Assignment are several, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Termination of Assignment in any jurisdiction.

7. **ATTORNEYS' FEES.** If any action is commenced to construe this Agreement or to enforce the rights and remedies created herein, then the party prevailing in that action shall be entitled to recover its attorneys' fees and costs therein, as well as all costs and fees of enforcing any judgment entered therein.

8. **GOVERNING LAW.** The validity and interpretation of this Termination of Assignment and the rights and obligations of the parties shall be governed by the laws of the State of California (without giving effect to its conflict of law rules).

9. **FACSIMILE; COUNTERPARTS.** This Termination of Assignment may be executed and delivered by facsimile and the signature of any party to this Termination of Assignment delivered by facsimile shall be deemed an original signature for all purposes. This Termination of Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. The partially executed signature page of any counterpart of this Termination of Assignment may be attached to any other partially executed counterpart of this Termination of Assignment without impairing the legal effect of the signature(s) on such signature page.

IN WITNESS WHEREOF, the parties have executed this Termination of Assignment of Patents as of the day and year first written above.
