ASSIGNMENT

WHEREAS, I, Stephanie Venn-Watson, of San Diego, CA, have jointly invented with Mark Baird, certain new and useful improvements in:

COMPOSITIONS AND METHODS FOR DIAGNOSIS AND TREATMENT OF ANEMIA

identified as Navy Case No. 104,602 described in application for Letters Patent of the United States of America executed by me on _____, 2016; and

WHEREAS, the Government of the United States, represented by the Secretary of the Navy and hereinafter referred to as the Government, is desirous of acquiring an assignment of the invention disclosed in said application and other rights and benefits herein granted; and

WHEREAS, in consideration of the royalties I may receive pursuant to 15 USC 3710c by reason of assignment of this invention to the United States of the entire right, title and interest therein, including foreign rights; and

NOW, THEREFORE, in consideration of the promises and other good and valuable consideration the receipt of which is hereby acknowledged, I hereby assign and transfer to the Government the entire right, title and interest in and to said invention within the United States of America, its territories and possessions, and the entire right, title and interest in and to said application and any continuation, division or substitution thereof, and such Letters Patent to be held by the Government to the end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this assignment not been made.

I do hereby also grant unto the Government, the entire right, title and interest in the invention and all patent applications or other forms of protection thereon in all countries foreign to the United States in which the Government may file, or cause to be filed, applications for Letter Patent or other forms of protection, without payment of any consideration;

I hereby further agree to make, execute, and deliver to the Government, any and all papers, documents, affidavits, statements, or other instruments that may be necessary in the prosecution of the application and of any continuation, division or substitution of the application, or any application for reissue or extension of said Letters Patent, and to assist the Government in every way in protecting the invention as may be requested, provided that any expense arising through such efforts will be paid by the Government.

IN TESTIMONY WHEREOF, I have set my hand and affixed my seal.

STEPHANIE VENN-WATSON
